Maintenance made easy! Heavy-duty waste containers designed to withstand the harshest environments and are perfect for indoor or outdoor use. Ashtray on dome lid makes this an all-in-one ash and trash receptacle.

- Large 42-gallon trash capacity with a removable ashtray uses 45 gallon trash bags and is perfect for high traffic areas
- Two built-in security clips, secures ashtray in place and allows ashtray to be removed for cleaning
- Lid fits snug to base and lifts off for easy trash removal. Trash receptacle includes patented Grab Bag™ system and additional routed openings to secure trash bag in place
- Four 12.25" x 6" openings allow for convenient disposal on all sides
- Environmentally friendly; molded from long-lasting recycled polyethylene; won't rust, dent or chip
- Plastic is approximately 1/8" thick for extra durability
- Molded with at least 25% post-consumer recycled material
- Made in U.S.A
- 1-year warranty

Made with at least 25 % post consumer recycled material

Product is ADA compliant

Optional security hardware is available
